

Year 11 Class of 2026- Drill sessions and Exam Schedule

1st June to 16th June

The following booklet is designed to ensure all Year 11s and their families about the run in to exams. We have carefully planned the schedule to ensure students have a significant revision session directly prior to the exam (Drill sessions), and a pre exam briefing before each exam. These will be led by subject specialists, using resources from across the Midsomer Norton Trust.

All normal timetabled lessons and revision sessions will continue to run, except where you are scheduled to be in one of the following:

Pre-exam briefing	A compulsory short briefing before you walk into the exam.
Exam	Attend exams in the room shown on your personal timetable, but meet in the theatre first.
Drill Session	An extra lesson to help you get ready for an exam.
After school	Some sessions are scheduled for after school if it has not been possible to fit a pre-exam lesson into the school day.

If rooms are not stated, you will be informed where the lesson is being held in morning registration.

Week	Date	Time/Lesson	Where are year 11 students?	Room
5	Monday 1 st June	P1 and P2 P3 P3	Geography Pre exam drill lesson Media Studies Statistics	Theatre D115 A102 and B003
