

PYRLAND SCHOOL

Computer Science Online Learning Guide

Quick & Easy Guide to Mastering EdClub from Home

Hot Weather Update

Important Health & Safety Reminder

Due to extreme heat temperatures, we are learning online today. Please ensure you take care of your well-being while studying at home.

Keep Cool & Stay Hydrated!

Your Learning Hydration Checklist

Learning online is active work for your brain. Keep performing at your best:

-  **Keep a cold drink nearby:** Fill up a bottle or glass before you start.
-  **Drink frequently:** Take a sip every 10–15 minutes.
-  **Take physical breaks:** Step away from the screen to stretch in a cool room.

Accessing EdClub

Simple step-by-step instructions to get set up on your device.

The First Steps on Your Computer

1. Open Your PC

Start up your personal computer or tablet.

2. Launch Browser

Open Google Chrome or Microsoft Edge. These work best with EdClub.

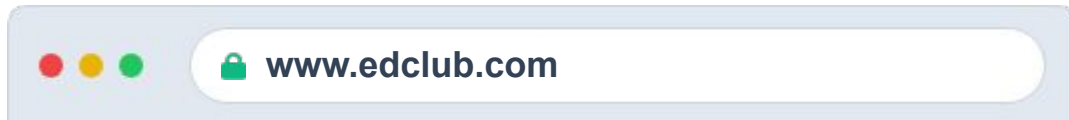

3. Go to Website

Navigate to the address bar at the very top of your browser window to enter the website.

Finding the EdClub Site

Type in the Address Bar

Click inside your web browser's address field at the very top of the screen and type exactly:

Once typed, press the **Enter** or **Return** key on your keyboard to load the page.

Starting the Login Process

Look at the Top Right

On the EdClub homepage, find the menu in the top right-hand corner.

Click "Log In"

Find and click the "Log In" link. It is located directly next to the "Sign Up" button.

Note: Do not click "Sign Up" as you already have a pre-created school account!

Crucial Step: Choose School Edition!

Select the Correct Portal

To ensure your learning scores and practice time are sent to your computer science teacher, you must choose the correct portal:

Individual Edition (DO NOT CHOOSE)

This is for personal use and will not connect to your school account.

School Edition (CHOOSE THIS) ✓

This opens the custom portal linked directly to Pyrland School.

Progress Saved!

Choosing School Edition saves all your hard work to your teacher's progress report.

Identify Pyrland School

Enter Your School Code

In the field that asks for your school name, type exactly:

pyrlandschool

- i** **No Spaces:** Do not put spaces between words.
- A** **All Lowercase:** Do not use any capital letters.

Visual Reference

Your final custom URL path will look like this:

<https://pyrlandschool.edclub.com>

Once entered, click the blue button that says "Go to my school page".

Logging in via Google

Single Sign-On

Click "Log in with Google"

On the custom Pyrland School landing page, you will see a large white button with the Google logo.

Select or type in your **school Google email address**. It will sign you directly into your portal!

Your Learning Assignment

Open the Typing Jungle

The Typing Jungle is your interactive workbook for touch typing.

Correct Finger Posture: Always check the on-screen hands for finger guides.

Accuracy Over Speed: Go slow and try to avoid typing errors!

Homework Instructions

Open your pupil portal and refer directly to the file named "Ed Club cover work.pptx" for the specific set of lessons and minimum accuracy percentages you must complete today.

Stay active, hit those targets, and protect your screen time score!

SUPPORT INFO

Need Any Help?

If you encounter any login or tech issues, reach out to your Computer Science teacher immediately through the school portal.

 **Stay hydrated and remember to drink lots of water!**
